À partir du 1er mars 2024, le législateur a introduit un nouveau système de tarif de télécommunications sociales, appelé «offre internet sociale», qui inclut l'internet fixe à haut débit. Apprenez-en davantage sur les conditions sur le site internet d'Orange <https://www.orange.be/fr/tarif-social> et sur le site du SPF Economie <https://economie.fgov.be/fr/themes/line/telecommunications/offre-internet-sociale-un> ou appelez le centre de contact du SPF Economie au 0800 120 33. Par conséquent les conditions générales du tarif social d'Orange Belgium ont été adaptées. Les clients bénéficiant du tarif social actuel et qui refusent cette adaptation peuvent résilier leur contrat par écrit sans pénalité et à tout moment. <https://www.orange.be/fr/conditions-generales>
